A photograph of a peaceful outdoor spa or lounge area. The space is covered by a thick thatched roof made of dried palm fronds. The floor is made of dark wood planks. In the background, there is a long wooden sofa with several light-colored cushions. In front of the sofa is a low wooden coffee table holding a small bowl of fruit and a candle. To the right, a large black gong sits on a wooden stand. The area is surrounded by lush green plants and trees, with a small waterfall visible in the lower right corner.
